

Boating Club News

News and Information for the members of the Tollycraft Boating Club

November 2001

Message From Your Commodore [Poulsbo Rendezvous Report](#)

Our 14th Annual Rendezvous at Poulsbo in June of this year is now history, but the memory lingers on. Over one hundred-thirty beautiful Tollycraft yachts were moored side by side, glistening under sunny, clear blue skies. Rear Commodore Dan Eastlick and his docking crew had carefully moored that many boats without a glitch. Well done, Dan and helpers!

Highlights of the weekend were the freshly brewed coffee, and the great array of pastries that greeted us every morning in the floating party center served by Lee and Sue Worthy and Mike and Karolyn Seeley. How about that great picnic on Friday hosted by Denny Barnes of Seattle Yacht Sales and accompanied by the toe tappin' rhythms of the Junk Yard Jane blues band. The 400 crab cakes supplied by JJ's Fish House at the Thursday early bird potluck were well received also. Not one was left over! Our new membership roster booklet, put together by John Whitcomb and Rheta Pearson, was a great hit. A big thanks also goes to Doug Filer for his incredible organizational and computer skills. We were able, because of him, to accommodate almost everyone, including latecomers, to ticketed events. And the clothes! Super salesman Ken R. Pearson did his usual outstanding sales job. His selections of quality clothing were superb. We observed many of you stumbling off the "Jubilee" struggling with armloads of new clothes, dazed, but happy. (Were you happy with your purchases, or just to be out of Ken's clutches?).

And finally, our banquet at the Sons of Norway hall, which was so beautifully decorated by Kaye Ballew and Rheta Pearson. From a festive atmosphere, which complemented a tasty meal, to the gentle and kind words of Mr. Tolly, to the good humor that prevailed, and later, to the soothing melodies of Past Commodore Howard Glazer's key board wafting from the Foxy Lady, I marked that evening as an exciting and fitting end to the Poulsbo Tollycraft Rendezvous 2001.

So now, our vision swings to the future. Your Bridge has begun the planning process for the Port Orchard Tolly Rendezvous scheduled for June 20-23, 2002. Our goal is to meet and exceed the quality and enjoyment level of past rendezvous'. This is a big order! We need your support. Your comments and suggestions will be carefully considered as we build our program. Remember, our main concern is to create an event that exemplifies the purpose of this Club: i.e., building and supporting a community of boaters who share common interests. By working together in harmony, staying flexible, and maintaining good humor we will surely achieve another quality rendezvous. In the meantime, I wish you all a safe and pleasurable boating season.

Please feel free to contact me at any time. My e-mail address is kdballew@msn.com, or call (425) 746-2301.

• A Message From Your Vice Commodore

I had a great time seeing all of you in Poulsbo. There is no better way to meet all the Tolly club members than to try to fit their boat next to another in a tiny slip. Special thanks to Lee Hessler for basically saving the Rear's butt. Lee helped me form a docking "plan of attack". Thanks also to Mike Asbury, who kept many Bayliners in the bay and not in our slips. Terry Holmstrom, Mark Tally, Don Glovick and all of F Dock.

Port Orchard will be another fun experience. As you may know, we moor the "E. Slick" at the Port Orchard marina and live in the surrounding community of Olalla, so in other words, we know the area well. Feel free to ask or email us if you have any special requests or needs.

The Port Orchard Marina is one of Puget Sound's most popular destinations. The Port Orchard Marina offers excellent facilities, service and many activities to make your visit a most memorable one.

A best ball Tolly Club Tournament will be on Friday, June 21st. We'll be golfing at one of the Olympic Peninsulas Championship golf courses. Imagine golfing on Wide and well-manicured fairways amongst the beauty of the Peninsula. Look at the Golf Article in this newsletter and let us know if you are interested in participating?

Start thinking about 2003. I am looking for ideas for where to hold our 2003 Rendezvous. Here's the criteria: 1.) Must hold at least 130 Boats; 2.) Near facilities for Dinner; 3.) Some place fun!

Email me at: e.slick@thefirehouse.org, where you think the 2003 Rendezvous should be. I'll collect the suggestions and fill you in on the rest in the Next Tolly Club Newsletter.

"LOOKING FORWARD AND LOOKING AFT"

by: Immediate Past Commodore Howard Glazer

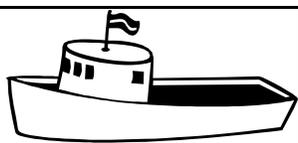

A little let down? Yes! Any regrets? No! I am still on the board and still have my vote. As I have from the very beginning. The good of the club is my number one priority. We have come a long way together these last several years. The club is in better shape than before. We are growing. We are attracting new and qualified people to join the board. This is important to continue our growth.

I am looking forward to Port Orchard. One of the better local ports to cruise to. Nice personnel, compact moorage, easy access to town, Saturday market, good places to shop and eat. Plans have been made and you will get more information from others. I want to thank all those who helped make Poulsbo the huge success that it was, the board for the beautiful gifts, and Mr. Tolly for the priceless drawing of his "Dream Boat". I feel very honored to receive one of these signed drawings. It is hanging in the "Foxy Lady IV". Anyone may come by and look at it any time we are in a port.

I intend to report to you in each issue of our newsletters:

"Looking Forward and Aft".

Message From Your Rear Commodore John Whitcomb

Greetings from the Rear! As we are now in our Fall boating mode, last summer's rendezvous is just a memory, a good one we hope! Everyone seemed to enjoy themselves and the location was perfect. Thanks to the many volunteers who made it such a success.

On to Port Orchard 2002 and an even better meeting of the Tolly fraternity. My duties to you are to arrange the moorage for the rendezvous. This harbor lends itself to creating a great moorage of our boating club and unique opportunities to get together as a group. As a lot of you have some really great ideas, I would appreciate hearing from you. You can e-mail me at john@seattleyacht.com or give me a call at 206-782-2391. Your input is important so let me know your thoughts!

More on the moorage plan as we get closer, but plan on attending the next great cruise: Port Orchard 2002.

TOLLY'S 91ST BIRTHDAY

“Tolly” Tollefson’s 91st Birthday is January 24, 2002. This year, we will not have a birthday party for him as we have done in years past at the request of “Tolly”. Therefore, I am sure that he would be delighted if you would send to him a birthday card. Perhaps you could enclose a photograph of your Tollycraft Yacht, as well. I am sure that he would appreciate hearing from you. Thank you. “Tolly’s” address is”

**Mr. Tolly Tollefson
93 Martingale Place
Port Ludlow, WA 98365**

Seattle Yacht Sales

Seattle Yacht Sales was delighted to again sponsor Friday Night's "Celebrate America" dinner for the 14th Annual Tollycraft Rendezvous at the Port of Poulsbo June 28th to July 1st, 2001. We at **Seattle Yacht Sales** wanted to remind all club members that **Seattle Yacht Sales** is still your number one source for buying or selling a used Tollycraft vessel!

Denny Barnes, owner, would like to thank all the members for their support. He looks forward to being a sponsor next year and will see you at Port Orchard in June of 2002.

Seattle Yacht Sales has sold many Tollycraft Yachts this summer and fall and has some others they would like to tell you about. Feel free to call them anytime. If you are thinking of either selling or buying, or have any questions, they are always available to assist you.

Please visit our site at yachtword.com/seattleyachtsales. In the mean time, please e-mail us at: info@seattleyachtsales.net should you have any questions, or call us at anytime. We have some nice Tollycraft Yachts available for sale. Let us know your needs.

Have a wonderful holiday and thank you very much.

Seattle Yacht Sales

BELL HARBOR FALL MINI CRUISE

September 14, 15 and 16, 2001

The Tollycraft Boating Club's 2nd Fall Mini Cruise was a great success. There were over 20 vessels from our fleet that signed up. Everyone enjoyed the weekend, fantastic weather and camaraderie. Just like last year, every vessel that arrived was presented a beautiful Chrysanthemum (MUM) plant that had been well taken care of, watered and nurtured, for them to cultivate AND bring to our rendezvous at Port Orchard Rendezvous next year. A prize will be given to the biggest and best-looking MUM (the one they received). Also, each person received a delicious oatmeal cookie, like the ones I enjoy.

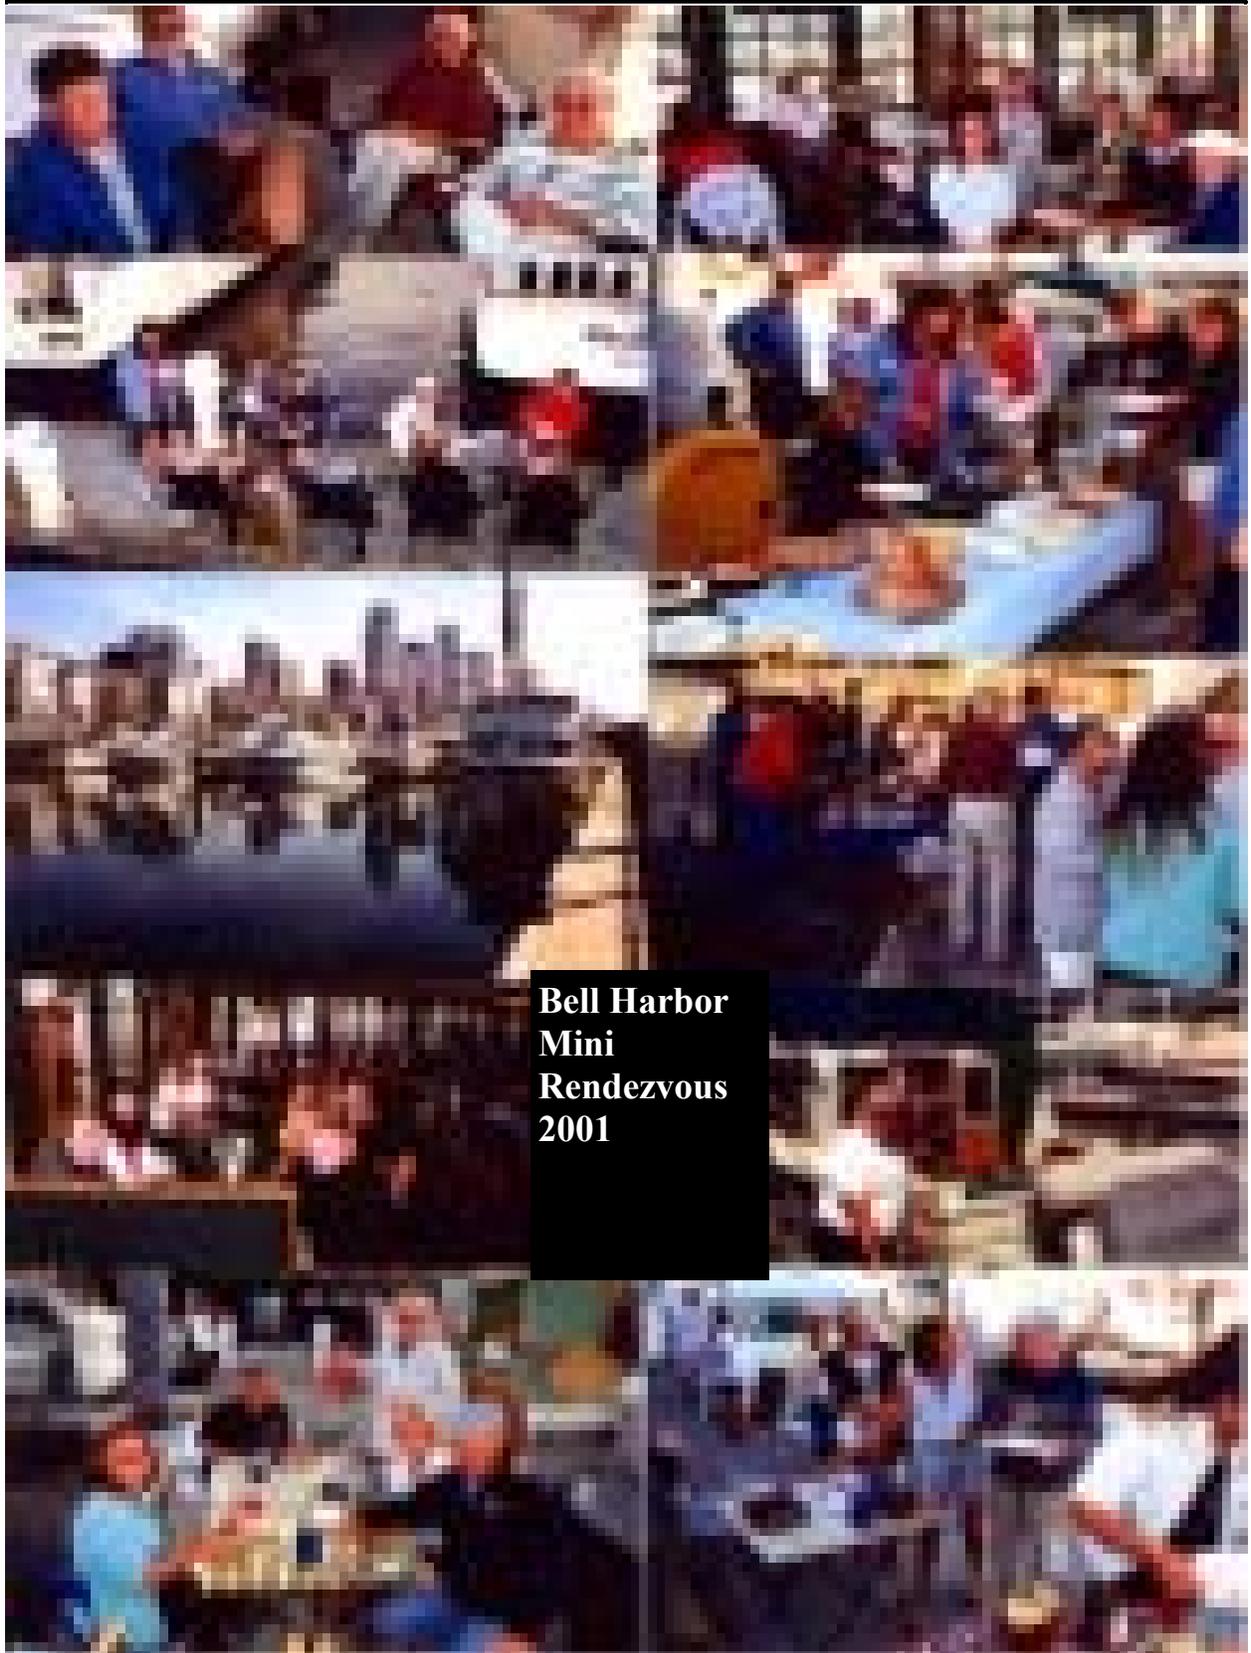

Friday afternoon everyone enjoyed the day exploring downtown Seattle. Many came back with bright and beautiful flower arrangements that they purchased at the market. Friday evening was nice and everyone brought their favorite appetizers to share. The hors d'oeuvre were some of the best made and the entire group enjoyed the food, wine and the beautiful sunset.

Saturday many of those in attendance went up to Pike Place Market, the Aquarium or walked the waterfront for the day enjoying the sights and sounds while others visited with their friends and shipmates. Even some of the guys helped a fellow boater with his battery problems, driving up to purchase new batteries and installing them for him. Saturday evening, everyone brought their favorite potluck dish to share on the dock. The potluck dishes were spectacular and plentiful. Needless to say, with the variety of choices, such as Mussels, Crab, Prawns, Pork Tenderloin, BBQ Pork, Stuffed Mushrooms and much more, as well as the variety of desserts, not one person went away hungry.

I want to thank everyone who attended our 2nd Annual Fall Mini Cruise. Because of the interest, I have made reservations for next year at Bell Harbor for our 3rd Annual Fall Mini Cruise in September of 2002. Also, keep in mind our 3rd Annual Spring Mini Cruise to Gig Harbor in May of next year. Watch for details in our February, 2002 Newsletter. Should you have any questions, perhaps other ideas or suggestions, do not hesitate to contact me. Have wonderful holidays.

P/Commodore Ken R. Pearson and his wife Rheta. Phone: 206-575-1395 or E-mail: [**Tollyclub@aol.com**](mailto:Tollyclub@aol.com)

FOR THE PREMIERE BOATER

LEXUS and JAGUAR OF TACOMA, in Fife, was proud to be a sponsor for Tollycraft Boating Club's 14th Annual Rendezvous at beautiful **Port of Poulsbo** June 28 through July 1, 2001. We hope that you had a wonderful time.

We at **LEXUS and JAGUAR OF TACOMA** offer one of the most **PREMIERE** automobiles for the **PREMIERE** Tollycraft Yacht Owner. Our new location in Fife (directly off Interstate Highway 5) offers a suburb location. On the same property, are the **LEXUS** and the **NEW JAGUAR** Dealerships.

The **LEXUS** dealership has been awarded the "Elite of Lexus Dealerships". This award is only presented to those dealerships that excel in sales, service, customer satisfaction and overall ownership support. A tremendous honor for a distinguished dealership.

The **JAGUAR** dealership is the first and only individual dealership in Washington State. Visit our new and elegant showroom with marble floors and leather couches overlooking a beautiful fireplace. The bright and exquisite silver **JAGUAR** statues stand out as you enter the parking lot. Sleek, Cunning, Speed and Power is the animal and Elegance, Sensuality, Originality and Refined Power comes to mind when you think **JAGUAR**, the automobile.

Stop by and

see the new 2002 automobiles.

If you were considering a luxury vehicle for yourself or perhaps a friend or another family member, **LEXUS or JAGUAR OF TACOMA** would like you to come in for a demonstration. We also have excellent pre-owned Certified vehicles. We pride ourselves in World Class Service and Quality. We stand alone and no other dealer can give you what we offer! I personally guarantee it.

The coffee is always hot so stop by anytime. As General Manager, I would like to extend a special offer to all **Tollycraft Boating Club** Members. I simply ask that you contact myself identifying you as a member of the club, and I will personally assure you an exceptional price below any advertised pricing of our **LEXUS** or **JAGUAR** automobiles.

Thank you for your calls and inquires. Should you have any questions, contact me at anytime. I am at your service.

LEXUS and JAGUAR OF TACOMA
1708 40th Avenue Court East, Fife, WA

Cline Davis, General Manager

The All New Lexus LS 430.

In a perfect world,
this is what
you'd be driving.

2001 Tollycraft Rendezvous

Cap Sante Marine was proud to be sponsor for the 14th Annual Tollycraft Boating Club's Rendezvous at Poulsbo. Thank you to all of you who took advantage of our extremely popular "inspection day" program on Friday and Saturday.

We look forward to being a sponsor for your 15th Annual Rendezvous at Port Orchard in June of 2002. Just a remainder, that during the off season our staff is available to you to assist you in a variety of services some of which are listed below.

Re-Powering Issues: If you have been considering re-power options for your Tollycraft, you owe it to yourself to check with **Cap Sante Marine**. We employ some of the best people in the marine industry who bring many years of re-power, re-fit and yacht construction experience to your assistance. **Cap Sante Marine** also has the resources, including: 3 locations with haul out facilities to 55 Tons, fiberglass and paint shops, woodshops, machine shops, propeller shop & on-site engineers.

When choosing the right power for your yacht the first step is to decide how you plan to use your boat in the future, for example: What type of cruising speeds do you expect, how many hours per year will you be using your boat, etc.? Next, what engine package will fit without requiring major changes? Will the power choice add real value to your boat when you decide to sell? Who can service your new engines? What if you make a long trip up or down the coast? Are parts readily available and affordable? We feel that the best answer to these questions is Cummins Marine Engines.

We have put together Cummins engine packages that are a perfect fit for the 37' to 65' range of Tollycraft Yachts. Cummins Marine offers a whole range of 4- and 6- cylinder B Series engines to choose from in the 155-370 horsepower range. The Cummins Diamond 450C has features you would expect to find in much larger engines and the new QSM11 at either 535 or 635 horsepower is a full authority electronic engine, with all speed governor, full analog display capability, self-diagnostics and is an excellent power choice for larger yachts.

We have also put together Mercruiser gasoline engine packages for the up to 40' range Tollycrafts. Over the last two years, we have installed many Mercruiser Horizon engine packages that have proven to be an excellent power choice providing improved performance and fuel economy over the older carbureted engines of the past. If you aren't familiar with the new line of engines from Mercruiser, let us show you.

What other areas might enhance your boating experience? How about a Bow or Stern thruster system, or maybe even both? **Cap Sante Marine** has become the Pacific Northwest's leading installer of Side-Power thrusters. One of the reasons for the popularity of bow and stern thrusters on pleasure boats is that improved products have become available and at better prices than ever before. In today's marketplace, bow thrusters are on the verge of becoming standard equipment on larger midsize boats. Check with us and you might be surprised how affordable thrusters have become.

Should you have any questions, do not hesitate to contact us at anytime. Thank you and happy holidays.

ALASKA CRUISE

SPECIAL OPPORTUNITY OFFERED TO OUR CLUB

Due those recent events this fall, I have thought about putting together another cruise on a Holland America ship. I did this a few years ago and everyone had a wonderful time. Since a Holland America cruise ship will be coming to Seattle next year I thought taking a cruise to Alaska would be of interest to perhaps a few of you. So, I am proud to announce a special opportunity that I have put together for our club through **Holland America Cruise Line** and **Global Express Cruises, Inc.**

I am exploring the number of club members, their family and friends that would be interesting in taking a delightful 7 day cruise to Alaska on the **ms AMSTERDAM** round trip from Seattle, WA at Bell Harbor, Pier 66 and back. This ship is the newest ship in Holland America's fleet and is beautiful. Leaving May 18 and returning May 25, 2002. Ports of calls will be Juneau, Sitka, Ketchikan, Victoria, B.C. and Hubbard Glaciers. Special Rates for our club have been given as follows:

INSIDE RATES begin at \$887, up, per person-Double occupancy

OUTSIDE RATES begin from \$1,127, up, per person-Double occupancy

VERANDAH SUITES begin at \$1,567, up per person-Double occupancy

(All Prices and Rates are subject to change without notice. Port fees or taxes and other taxes are additional.)

If you are the *slightest* bit interested, let me know before December 1, 2001. No money needed (unless you book). Response is only to get an idea of your interest, and **NOT A COMMITMENT!** If you are interested or wish further information please call and I will try to answer any of your questions.

I have reserved only 10 cabins, of which 3 are taken. Let me know what you think and if you would be interested.

P/Commodore Ken R. Pearson
595 Industry Drive
Seattle, WA 98188

E-Mail Address: TollyClub@AOL.com

OceanAire was delighted to be included in this past years rendezvous and events as a company continuing on with these "former" traditional yachts. We were available to show you that we are dedicated to providing you with our line of yachts with our own improvements, yet still keeping the feel and performance of the "old ". Unfortunately we didn't have a boat there to show this year, but we are just as excited to be at Poulsbo anyway. We would like it if you would talk to us anytime throughout the year. We are always open and willing to listening to your ideas. If you are curious about OceanAire and what we have done or what we can do for you, please feel free to contact us. We look forward to seeing you next year.

OceanAire Yachts
801 Harris Avenue
Box 11, Building 7

Golf Anyone?

Are there any golfers among the Tolly boaters? We are considering having our club's first golf tournament at our 15th Annual Tollycraft Boating Club Rendezvous at Port Orchard June 20th to 23rd, 2002. Great prizes will be given. There are beautiful golf courses, located just a few minutes from Port Orchard Marina. Golfing will provide a complete escape from the water to the peace and solitude of a Pacific Northwest wilderness habitat. Transportation will be provided.

We are seeking expressions of interest from those of you who would like to have a good time and experience golfing on one of the most beautiful golf courses in Washington State. Those of you who are tentatively planning on attending the rendezvous at Port Orchard in June of next year and would be interested in participating in a "Scramble" type 18 hole tournament, let us know ASAP. The format of play would be a mixed gender "Modified Texas Scramble". Makeup of the teams would be foursomes based on participants' handicaps or average scores so that all the teams would have an equal and fair change of being competitive. All skill levels from hackers to the formidable are welcomed, but no beginners please. If you are interested, let us know. If enough of our members indicate a desire to play in the tournament, we will develop a plan. This sounds like a lot of fun and some great prizes and awards will be given.

Lee Hessler ("Weatherly"), a golfer himself will assist in the planning and be the Chairperson in charge. Contact us below with your thoughts and comments. Please let us know by December 20th if you would be interested. We are simply looking for what interest there is from our members. This is not a commitment. If enough express interest, in the February, 2002 Newsletter more information will be forthcoming. Do not hesitate to call Lee Hessler (206-979-8186 or e-mail: Hardalee1@aol.com) or myself should you have any questions or suggestions. Thank you for your interest

P/Commodore Ken R. Pearson 206-575-1395 E-mail: TollyClub@AOL.com

Boater Swap Meet

The Tollycraft Boating Club had its 1st Boaters Swap Meet at Poulsbo. Saturday afternoon many fellow boaters brought their many items to the gazebo. A small group of tables were set up and many items were sold with some of our club members turning one person's "junk" into someone else's "treasures. Everyone had fun and a great time. From our swap meet, we had several suggestions and gave many members ideas as to the things that could be sold. At our next rendezvous at Port Orchard in June of next year, we are considering having another swap meet, perhaps under a tent or maybe on the dock beside your own vessel. Give us your thoughts and comments about future Swap Meets. Should you have any questions, suggestions or comments do not hesitate to contact me.

Sue Worthy at sueworthy@aol.com or call at 425-373-1823.

VENDORS AND SPONSORS KUDOS

We would like to thank those vendors and sponsors that took part in our 14th Annual Rendezvous at **Port of Poulsbo** this year. Without their support and donations, this rendezvous would not be possible. They have contributed to our club and many of them have donated door prizes and merchandise for our drawings and raffles, as well. Please support our vendors and sponsors, because without them, our club could not be as successful as it is. Thank you very much to all of you!
