Message From Your Commodore Dan Eastlick

Our 15th Annual Rendezvous in Port Orchard was another great opportunity so see the my favorite boaters on the water all in one Marina. We packed the place with over 130 boats, fun, good music and banquet made for a memorable four days. Looking down at the view of the Port Orchard Marina with all of our boats detailed out for show provided a picture that will stick in my mind for a long time. I'd like to thank all the Tolly Owners for bringing in the most beautiful weather I have seen at any Rendezvous. Also, for looking out for me by giving me sunburn alerts and layers of sunscreen.

With over 130 boats, lots of fun, good music from Junkyard Jane and the Saturday Night banquet at McCormick Woods made for a memorable four days.

A big thank you goes out to the "Red Shirts" and everybody who helped with the Port Orchard Rendezvous. The efforts from volunteers were essential are very much appreciated.

With a fresh season about to start, we're going forward towards another great year. As the new Commodore I am surrounded by an energetic and enthusiastic bridge that takes the role of service to the membership to new heights. They have some great Ideas for next year.

Our 2003 goal of the Tollycraft Boating Club Bridge is to continue to improve on the proceeding successful years as a tribute to the quality of the Tollycraft Yachts and to the membership of our club.

My personal goals for the 2003 Rendezvous are to:

1. Help facilitate a stress free fun time.
2. Provide the opportunity for everyone to meet some of the most lively people I have ever met.
3. Have a cold beer or two.

As you may already know the 16th. Tollyclub Rendezvous will be held June 26th through the 29th. at Roche Harbor Marina. Yachting Magazine rated Roche Harbor Marina among the best in North America and the Bahamas. Roche Harbor is compared to the likes of, Atlantis in Nassau, Bahamas, Grand Bay Hotel and Marina in Bahia Navidad, Mexico, Marina Del Rey in California and the Trump Marina in Atlantic City. The Management of Roche Harbor are working alongside the Bridge to help make our visit memorable and worry free.

We are hoping that our club and our friends from the North, the Tollycrusiers, can invade San Juan Island with up to 225 beautiful Tolly's. We're planning a lot of fun activities for adults and children. More will follow in the next newsletter.

Read through the TollyClub News and you'll find out about Tolly's Birthday Party, the Spring Cruise to Gig Harbor and the Bridge reports.

A Message From Your Vice Commodore Lee Worthy

Greetings and Salutations from the Vice

I want to thank all of you for making our time in Port Orchard a blast! From the 26 condo-slips to the folks on the end of the mile long dock, everyone kept a terrific sense of humor and understanding. The tons of "victims" that donned the red shirts and worked way more than they volunteered for, a heart felt "Thank You" from me to all of you. I can't begin to tell you all how many times over that weekend I had boaters from our fleet tell me they just "aimed for the red shirts".

I would also like to take a moment to let you all know how excited the board and I are about our upcoming Rendezvous at Roche Harbor! This will be a different kind of Rendezvous adventure than our club has been accustomed to. There are no facilities on the island large enough to sit down a group our size unless we rent circus size tents and that would break the Tolly bank. We have been soliciting ideas and comments as we traveled this summer and at the Bell Harbor Mini Rendezvous. The club members, as always, have had many cool and down to earth ideas. If any of you have some thoughts and ideas on the upcoming Rendezvous, I would ask that you drop an e-mail or give me a call.

We have had a couple of preliminary meetings with the Roche folks. They have experience with groups our size now and feel comfortable with providing your club a terrific time. Roche is very excited to have the Northwest's premier boating club filling their docks and facilities. They have really stepped up to the plate and are working with the board in finding ways to take up to 225 Tolly's for our Rendezvous this summer. I hope you all plan to attend and kick some fenders along the docks. We will need to limit our numbers, so please be prompt on your sign ups and start looking for Hawaiian shirts!

Regards, Lee Worthy, Vice Commodore. E-mail: worthywl@aol.com, Phone: (425) 373-1823

IMMEDIATE PAST COMMODORE'S CORNER

Our 2002 rendezvous' are now history. It is my sincere hope that you have tucked away in your memory many fond and happy recollections of our club's recent adventures. After all, that is our primary purpose for existing; i.e., to encourage and participate in safe, companionable and fun filled NW boating. To that extent I believe our club members excel. So thanks for your continued strong support. I'm confident the coming year will be even more rewarding and pleasurable as Commodore Eastlick and his bridge are even now hard at work planning events and surprises for our rendezvous at Roche Harbor. And as always, your suggestions and support are welcomed.

It has become my distinctly pleasurable duty to represent your club as Historian this coming year. I have started a notebook binder that will contain written and pictorial data. If you have extra pictures of club interest, please identify and submit them to me for possible inclusion. This binder will on display next June at Roche Harbor for your enjoyment.

One last request. We are in the process of re-staffing your Bridge. If you have been, or are now interested in serving as a Bridge member, please contact Commodore Eastlick for further information. Applications from bakers of oatmeal/raisin cookies are particularly desired. Oh yea, Babe! (Know what I mean?)

Message From Your Rear Commodore Rheta L. Pearson

Greetings to a new and exciting Tollycraft boating season. Last year was full of great memories and good times. Now, let's start another great year!!

I am in charge of the docking this year and am looking forward to seeing all of you as you arrive at beautiful Roche Harbor. Roche Harbor will be arranging where our Tolly's will be moored, so I will be working closely with them as the rendezvous draws nearer.

I have been a board member for nearly five years and have had a wonderful time working with the bridge and attending the meetings. Each meeting I have attended I have made cookies for all the board members and thought I would share some of their favorites with all of the Tolly "family" in the newsletters. The cookie recipe below is Doug Filer's favorite and Ken stocks him with his "stash" when I bring them to the meetings. If you have any questions or comments you'd like to make please contact me at: E-Mail: Tollyclub@aol.com or on my cell phone at: 206-228-6761. Rear Commodore Rheta L. Pearson

Rheta's Recipe: "Doug Filer's Oatmeal Craison Cookies"

$\frac{3}{4}$ cup flour
 $\frac{3}{4}$ teaspoon soda
 $\frac{3}{4}$ teaspoon cinnamon
 $\frac{1}{2}$ cup butter
 $\frac{1}{2}$ cup brown sugar
 $\frac{1}{2}$ cup sugar
 1 Tablespoon molasses
 1 Tablespoon water
 1 teaspoon vanilla
 1 large egg
 2 cups oatmeal
 $\frac{1}{2}$ cup coconut, packed
 $\frac{1}{2}$ cup craisons

Stir together flour, soda and cinnamon. Set aside. Cream butter, sugars, molasses, water and vanilla until light and fluffy. Add egg and mix about 20 seconds. Add flour mixture and stir. Add oats, coconut and craisons. Mix until combined. Drop by teaspoon full on greased cookie sheet. Bake at 375 degrees for 8-12 minutes until edges turn light brown. Makes about 3 dozen or 1 serving for Doug!!

BELL HARBOR FALL MINI CRUISE

September 27, 28 and 29, 2002

The Tollycraft Boating Club's 3rd Fall Mini Cruise was a great success. There were over 35 vessels from our fleet that signed up. Everyone enjoyed the weekend, fantastic weather and camaraderie. Just like last year, every vessel that arrived was presented a lovely gift from yours truly, but instead of a plant, a beautiful candle holder along with candle and a hanger. Also, each person received a delicious oatmeal cookie, like the ones I enjoy.

Friday afternoon everyone enjoyed the day exploring downtown Seattle. Many came back with bright and beautiful flower arrangements that they purchased at the market. Friday evening was nice and everyone brought their favorite appetizers to share. The hors d'oeuvre were some of the best made and the entire group enjoyed the food, wine and the beautiful sunset.

Saturday many of those in attendance went up to Pike Place Market, the Aquarium or walked the waterfront for the day enjoying the sights and sounds while others visited with their friends and shipmates. Even some of the guys helped a fellow boater with his battery problems, driving up to purchase new batteries and installing them for him. Saturday evening, everyone brought their favorite potluck dish to share on the dock. The potluck dishes were spectacular and plentiful. Needless to say, with the variety of choices, such as Mussels, Crab, Prawns, Pork Tenderloin, BBQ Salmon, Stuffed Mushrooms and much more, as well as the variety of desserts, not one person went away hungry. A thank you to the "Cookie Fairy" for my nightly oatmeal cookie that was left on the "Jubilee" anomalously.

I want to thank everyone who attended our 3rd Annual Fall Mini Cruise. Should you have any questions, perhaps other ideas or suggestions, do not hesitate to contact me. Have wonderful holidays.

PARTY TIME

Hey Everybody, are you ready to Party?

Although Mr. Tolly has been invited, he is not sure that he will be able to attend. We will sign a card and take plenty of pictures to send to him.

So mark your calendars for Saturday, January 25, 2003, from 7:00 p.m. to 9:00 p.m. Please RSVP below by January 11th, 2003!

Name Tags

Are you in need of a replacement Tollycraft Boating Club name tag? Please contact Doug Filer, Treasurer at 206-545-4800 or e-mail: dfiler@msn.com. It is important to wear your name tag at all functions. Our club is growing, we all meet many people we want to remember, but our memories aren't that good. If you have lost or broken yours, or you have a new boat with a different name, you need a new name tag. Replacements are only \$5.00. Doug will give you all the specifics when you contact him.

The Red Shirts

Did you see them? They were everywhere you needed help. They had on red shirts. Who were they? They were the 2002 Port Orchard Tollycraft Boating Club Rendezvous Volunteers!

They were the hard-working gentlemen who greeted you and helped you dock your boat and find electricity. They were the lovely ladies who checked you in at the registration desk and provided you with event information. They were the early birds that brightened our mornings with coffee and donuts. And they were the raffle ticket salesmen who made some people very happy winners. They all wore red Volunteer shirts.

Those were the people that helped make the 2002 Port Orchard Rendezvous a success. Thanks to more than 50 volunteers, we all had a grand time.

VENDORS AND SPONSORS KUDOS

We would like to thank those vendors and sponsors that took part in our 15th Annual Rendezvous at **Port of Port Orchard** this year. Without their support and donations, this rendezvous would not be possible. They have contributed to our club and many of them have donated door prizes and merchandise for our drawings and raffles, as well. Please support our vendors and sponsors, because without them, our club could not be as successful as it is. Thank you very much to all of you!

Tollycraft Boating Club Kids

Friday afternoon was fun and games for all our Tollycraft Boating Club kids at the 2002 Port Orchard Rendezvous. Patsy Graham from Resources International, and her daughter sponsored the event. They had innovative crafts, games with fantastic prizes, snacks and entertainment for the little ones. Our thanks go to Patsy Graham and her daughter for their hard work and fabulous results.

Our club is getting younger as it grows, and we must continue to provide for the next generation. We are looking for someone to head-up a committee to entertain the kids at the 2003 Roche Harbor Rendezvous.
